

# KEEPING YOU SAFE

We want to let you know the measures we are taking to ensure our business complies to Covid-19 secure guidelines, to keep our customers and employees safe;

## Reduced table numbers

All tables are now socially distanced by at least 1 metre (plus a mitigating action ie. back to back).

## Sanitiser stations

Are positioned at entrances and throughout.

## Protective screens

Are installed at all service points to protect you.

## Face coverings

By law face coverings must be worn by all staff and customers, when they are not seated. Unless exemptions apply.

## Table service

By law all customers are now required to order and pay at their table.

## Training

Staff have been trained to follow safety guidelines correctly.

## Signage

We have signage and floor markers to help customers to follow social distancing guidelines.

## Cleaning and hygiene measures

No cutlery or condiments are brought to the table prior to your arrival. All tables and seats are thoroughly cleaned between customers. Cleaning in high contact areas such as common surfaces has been increased. External and internal doors are propped open when possible to avoid contact. Bins will be placed near exits to dispose of used menus safely.

## Outside spaces

Where possible we have increased outdoor areas.

## Ordering online

We have introduced an online ordering system in some areas to limit contact, which allows you to order and pay at your table. Please ask when booking which tables are running the online system. If you prefer to be served by a waiter please let us know.

From 31 October Oxford is a COVID-19 high alert level area with new restrictions. People who live in or travel to Oxford can only visit pubs and restaurants indoors with up to six members of their own household or support bubble. Up to six people from **different households** can visit an outdoor pub or restaurant together. Wedding receptions and wakes can continue indoors for up to 15 people. Meeting indoors for work purposes of up to six from different household indoors is allowed.

We look forward to seeing you soon. **PLEASE TRY AND BOOK AHEAD!**
